

Western Australian Indo-Pacific Defence Conference

12 August 2019

The Hon. Paul Papalia CSC MLA Minister for Defence Issues

I look forward to welcoming you to the 2019 Indo-Pacific Defence Conference to be held in Perth, Western Australia.

The Government of Western Australia recognises the Indo-Pacific's role as a key economic and trade zone and is proud to partner with the USAsia Centre Perth to deliver this conference which will convene strategic thinkers from the military, industry, academic and government sectors from across the Indo-Pacific region.

2019 Conference Program

The second WA Indo-Pacific Defence Conference is not to be missed. Join with leaders and influencers from defence, industry, academic and government sectors. Enjoy a thought provoking program covering topics including:

- Industry support for the changing operational environment.
- New frontiers in Defence including the evolving role of technology and WA's STEM agenda.
- Defence industry applications for WA's battery minerals and resources expertise.
- Key strategies outlined in the Western Australian Defence and Defence Industry Strategic Plan.

For \$220 you will enjoy:

- A full day conference program at the stunning Crown Towers, Perth.
- Food and beverages across all breaks, including morning tea, lunch, afternoon tea and networking drinks, as well as tea and coffee throughout the day.
- Entry to exhibition space throughout the day.
- Direct access to knowledge and networks to help grow your business.

Partnerships and exhibitor space available to boost your business.
